RE: Atlantis, Paradise Island – Property Update

Dear Valued Travel Partner:

I'm pleased to announce that we will be embarking on five distinctive renovation and redesign projects with the help of world-renowned interior architect and designer, Jeffrey Beers. We remain committed to providing exceptional experiences for our mutual customers and will set a new standard for our loyal and future guests. Here is an overview of those projects:

▪ **Royal Towers:**

- **Marketplace** will be renovated between July 12 and November 17, 2015. During this period, breakfast and dinner will be served at the Café at The Great Hall of Waters in Royal Towers. All guests, including those on dining plans, will be able to redeem breakfast and dinner at that restaurant in addition to other participating restaurants. This renovation will be seamless to our guests as the entrance to Marketplace will simply be sealed off. Once complete, this restaurant will reopen under a new name and will be enhanced by new fixtures and elements that emanate the notion of being in the sea.
- **Platos** will also be renovated during the period July 12 and December 15, 2015. This area will be entirely walled off during the process, and guests will be able to purchase continental breakfasts, light lunches and cocktails at Dragons in the Casino. The transformed space will open under a new name and will be themed with light tones for a beach-like atmosphere that welcomes guests at all times of the day.
- **Atlantis Casino.** Upgrade plans include the opening of a new high limit gaming area in mid-November, and a new stone pathway which will be installed by October 16, 2015.

▪ **The Cove Atlantis**

- **Cove Suites.** A soft renovation is planned for all 600 guest suites during the shoulder season. Work will begin the second week of September with only 2-3 floors out of service at a time; work will be halted around the US Thanksgiving holiday (late November) and the Festive period; it will be completed by February 2016. The resort will remain fully operational though out the project.
- **Estiatorio Milos.** We are excited to announce the opening of Estiatorio Milos in mid-November of 2015. Milos, a celebrated Greek-influenced Mediterranean restaurant, is known for importing fresh, high-quality seafood at six locations worldwide, catering to every palate with signature appetizers, main courses and seasonal fare that will continue to raise the standard of dining in the Bahamas. Milos will be reminiscent of the Greek Islands, with marble floors accented by stucco walls veiled in sheer curtains and blue hues. It will be located in the space currently occupied by Mesa Grill.

- **Mesa Grill** will be serving our mutually valued guests until July 31, 2015 inclusive. Between August 1 and mid-November, Cove and Reef guests will still have the option to dine at nearby Mosaic for breakfast, lunch and dinner, the Starbucks Café at The Reef or at any of the other 20 restaurants at Atlantis. You will receive a separate communication on dining plan revisions shortly.

- **The Reef Atlantis**

- **Re-naming 1 & 2 Deluxe Ocean suites.** Please be advised that the 1- and 2-Bedroom Deluxe Ocean Suite categories will be re-named 1-Bedroom Topaz Suite and 2-Bedroom Topaz Suite, effective July 1, 2015. Please update your systems and advise your teams accordingly. This change is for marketing purposes only. No renovations are scheduled for this property. While there are no corresponding rate changes, revised category names will be formally distributed via rate sheets to non-connected partners under separate cover.

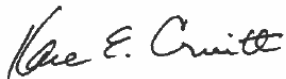

Atlantis has continued to win multiple hospitality and travel awards since 1999, earning world-wide recognition as the most engaging and astounding resort the world had ever seen. With these enhancements, we will continue to amaze each and every guest that visits our resort for many years to come!

As a reminder, your clients will have access to exciting summer programming at Atlantis! Cartoon Network is already in full swing and will run for the fifth consecutive year through August 22, with new and exhilarating summer activities, including the all-time favorite 9,000 square foot floating obstacle course, character parades, movie screenings and special Cartoon Network themed activities at AKA.

Be sure to encourage your clients to experience the magic of top illusionist, Rob Lake between June 24 and September 6, not to mention our exciting Atlantis Live series!

Please feel free to contact us in the event of any questions. Updates and renderings will be provided as these projects progress. We look forward to a successful summer season in partnership with you.

Sincerely,

Karen Cruitt
Vice President, Leisure Sales
